

Prayer for Guidance

In our search for the next Ursuline President

Loving God, we ask that you give each of us a discerning heart such as St. Angela had:

a heart not afraid of change and open to the voice of your Holy Spirit.

Help us to overcome any concerns about this upcoming change in leadership

and to fully trust you will guide our way.

Help us to remember, in the words of St. Angela to

“Do something, get moving, be confident, risk new things, stick with it, pray to God,

then be ready for big surprises!”

You are the God of our hearts and we commit ourselves

to follow the way you show us this day, and in this important work.

We ask our prayer through Our Lord Jesus Christ

in unity with the Holy Spirit,

and through the intercession of St. Angela.

Amen
